

Costume Order

All dancers participate in our year end recital and purchasing a costume is required. The cost per costume is **\$95.76** which includes tax. Most costumes will be covered by this price; however, some costumes may have additional fees depending on size/extras. You will be notified of any additional fees once costume orders are finalized.

If your dancer takes pre-pointe, pointe, and/or a leaps and turns class these do not get counted in their total number of classes needing costumes. If you have any questions on what you owe for costumes, please email the studio at dancprints@comcast.net.

Costume payments and measurements are **due by 11/01/2023**. There will be a \$20.00 per costume late fee for payments received after November 1st. Once costumes have been ordered there are no refunds.

Costumes will not be sent home if there is a past due balance on your account!

Dancer's Name: _____

Total Number of Classes: _____

Total Amount Due: (# of classes X \$95.76) _____

****When measuring please be sure to add an additional 1-2 inches to account for growth, the costumes will not be worn until June****
